Flex5Gware final event
5G Focus Day

Dario Sabella (INTEL, Flex5Gware)

Turin, June 21st 2017

<http://www.flex5gware.eu/finalevent>

Hosted by

Flex5Gware final event

- Day 1 (21 June): **5G focus day**
 - Full day event, with FREE registration, with key note speeches, few presentations from all organizing projects and EU representatives, and final panel discussion
- Day 2 (22 June): **CLEEN2017 workshop**
 - Full-day workshop, with research papers, key note presentations and final panel discussion. Presented papers will be published in IEEExplore thanks to technical co-sponsorship of IEEE ComSoc and collaboration with AEIT.

During all the 2-days, TIM is hosting also a **5G POC ZONE**, with 16 demonstrations and 4 posters presentations from CLEEN2017 workshop.

5G Focus Day - Agenda

09:30	Welcome, coffee, and registration
10:00	Opening of the Flex5Gware Final Event (Dario Sabella, INTEL; Maurizio Mayer, AEIT)
10:10	Keynote by EC officer (Pavlos Fournogerakis, PO of Flex5Gware)
10:30	TIM involvement in 5G (Enrico Bagnasco, TIM)
10:45	Flex5Gware project presentation (Michael Färber, INTEL)
11:00	5G-EX project presentation (Marco di Girolamo, HPE)
11:15	Fantastic-5G project presentation (Frank Schaich, Nokia Bell Labs)
11:30	Speed-5G project presentation (Panagiotis Demestichas, WINGS)
11:45	5G-Crosshaul project presentation (Claudio Casetti, Politecnico di Torino)
12:00	COHERENT project presentation (Navid Nikaein, EURECOM)
12:15	Lunch and demo tour at the 5G PoC ZONE + Posters
13:30	Next steps towards 2020: standardization efforts on 5G (Balazs Bertenyi, Nokia, 3GPP RAN chair)
14:00	Final panel discussion (moderated by Dario Sabella, INTEL)
14:45	Wrap up and conclusions (Enrico Bagnasco, TIM)
15:00	Workshop ends
18:00	Bus shuttle (in via Olivetti 6) for the official conference gala/banquet dinner
